

# Anti-Static Powder Tubing

## Wouldn't You Like to Have...

- *Consistent powder flow?*
- *No tribocharging or pinholing?*
- *Less impact fusion and powder buildup?*
- *Less maintenance and down time?*

## Now you can - with anti-static powder tubing from Nordson.

Nordson's anti-static powder tubing provides consistent flow for your powder applications. The tubing is available in three ID sizes and all contain an internal copper wire that provides a positive path to ground.

For more information, talk with your Nordson representative or contact your Nordson regional headquarters office.
